On behalf of the Scientific Committee I state that Javier Iglesias attended the International School (30 hours) **"Does noise simplify or complicate the dynamics of nonlinear systems?"** that has been held from April 13 to April 17 and the Workshop **"Nonlinear dynamics and noise in biological systems"** that has been held from April 19 to April 21 at the Department of Mathematics of the University of Torino.

Prof. Laura Sacerdote

A handwritten signature in blue ink, appearing to read "Laura Sacerdote".

Torino April 21, 2004
